PARK SERVICE COMPANY.

DOCKET NO. SW-01428A-07-0602

PROCEDURAL ORDER**BY THE COMMISSION:**

On October 18, 2007, the Arizona Corporation Commission ("Commission") Utilities Division Staff ("Staff") filed a request by memorandum that a docket be opened in the above-captioned matter. Additionally, Staff also filed a copy of its memorandum concerning its field and office visits to Litchfield Park Service Company ("LPSCO") on July 10, 2007, from Docket No. SW-01428A-06-0444.

On August 8, 2008, by Procedural order, since nothing further had been filed in this docket, Staff was directed to file an update by August 15, 2008, to determine whether the docket should remain open or be closed administratively.

On August 14, 2008, Staff filed a memorandum indicating a recent visit had been made to LPSCO's treatment plant and described on-going plant upgrades. Staff recommended that the docket remain open until wastewater treatment plant construction upgrades were completed and the necessary regulatory approvals had been issued.

On August 20, 2008, by Procedural Order, it was ordered that this docket remain open until the construction upgrades were completed and approved after which Staff was ordered to file a further update.

On March 11, 2009, Staff filed a memorandum and indicated that the plant upgrades were completed, approved, and in operation. Staff further recommended that the docket remain open until LPSCO submits a response to a Staff data request concerning wastewater flows and additional

1 treatment capacity after which Staff would review the updated material and file its conclusions.

2 Accordingly, the docket should remain open.

3 IT IS THEREFORE ORDERED that this docket shall remain open until further review by
4 Staff.
